

Rotary International District 7390 Prospective Speakers

A significant and enriching part of the Rotary Experience is having stimulating and informative programs for each meeting. Following is a list of speakers who have agreed to speak to Rotary clubs on a variety of topics in their individual area of expertise. If you are interested in scheduling a program, contact the individual directly, identify your club and arrange a mutually convenient time for a presentation. If your club has had an outstanding program and you would like to recommend the program to other clubs, please provide the topic, name of the contact or presenter and contact information to the District Office (office @rotary7390.org; fax: 854-6938) to be added to the Prospective Speakers listing.
