RETURN FLIGHT REMINDER

NOW is the time to talk to your counselor or chairperson about reconfirming your return flight for June. The flights will be in great demand as this is vacation time for US citizens traveling to your countries.

CALL your counselor or chairperson when you get home and ask them to get your ticket out and help you to confirm your return flight. Check your visa for expiration date so that your flight is before the visa expires!

Students must leave the USA no later than June 30. This date may only be extended with permission by District Inbound Chair Walt Tilley.

When you have confirmed your flight, please **complete the form below e-mail to Melissa Bruck, office@rotary7390.org**. **This information MUST be sent to the DYE office BEFORE you get on the plane!!!**
