WHO: You! If you're 15-18 years old, interested in traveling abroad and discovering a new culture then you're the perfect candidate.

WHY: Have an amazing year that you'll never forget – make lifelong friends from all over the world, see exciting places, try new food, learn a language and even discover more about you.

WHAT: Rotary Youth Exchange is designed for high school students, which is why over 8,000 teens participate each year. It's also one of the safest study abroad programs around, making it easier for the adults in your life to let you go.

WHERE: Travel to one of 40 countries where you'll typically live with at least one host family

WHEN: You depart in August and return the following June.

COST: It's one of the most affordable study abroad programs. Plus, Rotary clubs provide a monthly allowance. You're responsible for roundtrip airfare, health insurance and miscellaneous expenses.

HOW: You need to apply a year in advance so use Google to locate a Rotary club in your area to find out how to apply.
