Scholarship Notice to local paper:

Rotary International Youth Exchange Program of District 7390 (South Central Pennsylvania) has awarded a Study-Abroad Scholarship to _____. This scholarship provides a full year educational scholarship, Room and Board and a monthly stipend to study overseas in _____.

To attain this scholarship, _____ has demonstrated the qualities and skills required to be a representative of Rotary International, and _____, and Home town of _____. Additionally, _____ has exhibited the characteristics and traits needed to represent America as _____ immerses into this new culture.

The Rotary Youth Exchange program is highly sought after. It is a 3-year program whereby the students are selected and participate in training for the year before departure, execute their year abroad, and upon return, will participate in a re-entry program that provides for reverse culture integration and transition while providing best practices and lessons learned to the next group of students going outbound.

Students awarded this scholarship are sought out by colleges and employers alike due to the tremendous personal growth and cultural understanding that is attained over this exchange year. For more information, contact office@rotary7390.org.
