Susquehanna Township Rotary Club

This is a fabulous and rewarding opportunity for everyone involved! The programs are well-established, well-supported by a team of experienced advisors at the Rotary District level, and conform to all U. S. State Department and Rotary International Rules and Procedures for exchange programs. In addition the exchange student and his/her parents will have agreed to and signed the well-documented Rules of Behavior and Conditions of Exchange.

Our Rotary District hosts a number of students yearly and provides many opportunities for additional travel and social events for them. Above is a group of exchange students who were here from Argentina, Brazil, Chile, Denmark, Ecuador, Estonia, France, Germany, Japan, Norway, Slovakia, Spain and Switzerland and attending high schools in Adams, Cumberland, Dauphin, Lancaster and York counties.

If you, or anyone you know who resides in the Susquehanna Township School District, is interested in hosting a wonderful international student for the 20__-20__ school year **please contact me, Linda Spotts, by phone 717-920-5250 or email at crosswinds@pa.net.**
