DISTRICT GOVERNOR OFFICIAL VISIT GUIDELINES

Once a year the District Governor makes an official visit to each club in the District. The schedule is posted on the District website under “Presidents Library” and will be on the District calendar.

The purpose of the visit:

- To allow the District Governor to communicate with the Club members;
- To be a useful counsellor to further the Object of Rotary among the Clubs in the District and to assist those Clubs that may need some guidance;
- To motivate Rotarians to participate in service activities to strengthen the programs of Rotary;
- Bring attention to important Rotary issues as they pertain to both the RI and District levels;
- Recognize the contributions of Rotarians in the Club.

The District Governor is a guest of your club when making an official visit and will be the program for the meeting. The Group AG should attend the meeting and introduce the District Governor.

Communicate any special plans you have for the Governor to be sure they fit in with the Governors visit (i.e. – installing new members, making PHF presentations, etc).

Contact the Governor ahead of the meeting to confirm times and places. Even though the meeting is confirmed with the District office and placed on the District calendar, we appreciate you contacting the DG a week prior to the meeting.
