

Love Fore Community

As the Rotary Club of York sails through uncharted waters during the COVID-19 pandemic, our LOVE FORE THE COMMUNITY fundraiser on Monday, September 14, is a way for our Rotary family to celebrate our major core value: helping others.

That is clear from the Rotary motto of Service Above Self and the 2020-21 Rotary International theme, Rotary Opens Opportunities.

Your participation/support in our Rotary Club's signature event is critical to the goals we achieve this year. Through LOVE FORE THE COMMUNITY we are supporting four worthy projects:

- Kiwanis Lake Restoration, a new project.
- York City Little League, a longtime project for our club.
- Bearcat Interact Club at York High, a new project.
- Childcare Scholarships, a new project.

While our club and community have survived many crises over our club's 104 years, the challenges facing our neighbors today are a shock to all of us.

The waves created by the pandemic will ripple through our community for years to come. Smooth seas do not make for skilled sailors and there is no better time for the Rotary Club of York to sail into the storm. Rotarians will advance our work so the community thrives today, tomorrow and for future generations.

We are privileged to be members of the Rotary Club of York. Thank you for creating opportunities by lending our expertise, commitment and influence to better our community through our committees, service projects, mentoring students, and supporting the Rotary Foundation.

LOVE FORE THE COMMUNITY is just one more link to support those in need. I look forward to your participation/support on September 14.

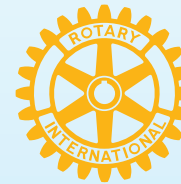

Thank you for all you do for the Rotary Club of York and our community.

Take Care!

Anne R. Druck, President
