Safe Harbour was created in the fall of 1985, through a collaboration among community members who came together to create a long-term housing facility in Cumberland County.

Safe Harbour provides a continuum of housing services, from temporary shelter to permanent residence, for those who've lost their homes due to foreclosure, joblessness, the death of a loved one, mental health and addiction issues, or a myriad of other circumstances.

Safe Harbour services continue to change and grow as we endeavor to aid the homeless and potentially homeless of Cumberland County.

OUR MISSION

Safe Harbour provides a continuum of housing and supportive services for homeless and nearly homeless individuals and families in our communities.

OUR NEED

The Safe Harbour building has never had a comprehensive renovation. Safe Harbour is continually spending money on repairs which diverts money for the supportive services for our clients. An unanticipated emergency bathroom repair was made on January 1, 2021, which resulted from added stress on the facilities due to the pandemic. Safe Harbour's Property Committee has decided that these renovations can wait no longer and has plans to invest in the building with an improved use of space, new plumbing, and upgraded lighting; all renovations which will keep our residents safe and healthy. The projected cost of the renovations is \$30,000.

SAFE HARBOUR'S SERVICES INCLUDE:

- Short Term Emergency Housing for Women and Families
- Long Term Emergency Housing for eligible homeless and nearly homeless individuals and families
- Rapid Rehousing
- Permanent Housing for Low Income individuals
- Life Skills Support Groups for Men, Women, and Parents
- Connections to Supportive Services for Safe Harbour Residents such as:
 - Mental Health and Addictions
 - Counseling
 - Budgeting Assistance
 - Referrals to appropriate State and County Services
 - Educational Opportunities
 - Job Training
 - Legal Advice

IN 2020-2021 SAFE HARBOUR:

- Housed 122 individuals, including 59 children
- Provided 44,129 nights of shelter
- Discharged 60 individuals into independent housing
- Provided 40 Life Skills Support Groups
- Benefitted from 135 volunteers who provided over 1,000 hours of Volunteer service to our community
